

Box contents

- the stroller frame
- the stroller cabin
- 2 front wheels
- 1 rear axle with rear wheels
- 1 cabin pad
- 1 cupholder

1. Unfolding

- Undo the clasp on the side of the stroller.
- Lift the stroller by the push bar to unfold.

2. Rear wheels

- Push the rear axle with the rear wheels onto the frame of the stroller.
- To remove the axle, use a retractable ballpoint pen and push in the pins on the frame.

Tip 1

Attach the cup holder to the frame by aligning and inserting it until a "click" sound is heard. No hot beverages.

Tip 2

Fix the cabin to the stroller by folding the velcro flaps at the bottom of the cabin, over the bars of the frame.

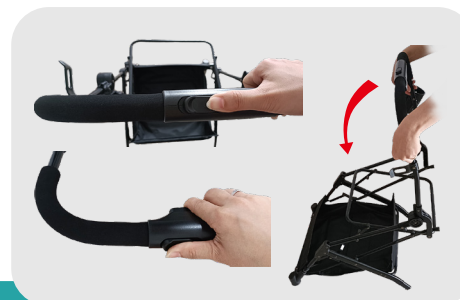

3. Front wheels

- Place the pins of the front wheels on the frame.
- To remove the front wheel, press the button then release it.

4. Unfolding the cabin

- Pull the metal frame bars outward and attach them to the plastic clips at the bottom of the cabin.
- Place the inner cushion inside.

5. Folding the frame

- Slide the switch on the top of the pushbar. Press the button on the pushbar at the same time.
- The frame will now fold down.
- Secure the frame with the clasp on the side during transport.
- For the most compact fold, remove the cabin and wheels.

Caution

- This product is for pets only.
- Use the fastening lines at all times.
- Max. load capacity frame: 20 kg
- Max. load capacity cabin: 15 kg
- Do not use when nuts or screws are loosening.
- Do not place heavy objects on top of the pet stroller.
- Clean stains on the fabric with warm water and mild soap.
- If wheel squeaks or rotates with difficulty, apply grease like vaseline (no WD40).
- Read warranty terms on innopet.nl

A blue and black InnoPet 2-in-1 Compact stroller is shown from a side profile. It features a blue fabric basket with a black mesh top and a black metal frame with large black wheels. The InnoPet logo is visible on the side of the basket.
